PROFESSIONAL EXPERIENCE

BIM Coordinator

Morph, Madrid, Spain.
[June / 2025 - Present]

Interdisciplinary BIM modeling and coordination (MEP) using Revit for residential, healthcare, office, and other project types.

Coordination and planning of teamwork, clash detection, system calculations, and organization and preparation of documentation in accordance with ISO 19650.

Development of Dynamo and LISP automations, achieving significant time savings in repetitive processes, and integration of AI tools (Gemini, NotebookLM) to optimize team productivity.

Specialties: HVAC, FP, PLB, SAN, ELEC, VENT, POOL.

Tools: Revit, Dynamo, AutoCAD, EasyDuct, ACC, Autodesk Forma, BimVision, Presto (Cost-it), Google Suite, Gemini, NotebookLM, Antigravity.

CAD Architect

OnePlan, Freelance Collaborator (remote), Spain.
[January - February 2025]

Preparation and editing of drawings for the design of sports infrastructure, access points, and logistics areas as part of the 2026 Olympic Games planning.

Tools: AutoCAD, BricsCAD, Google Sheets, GIS.

BIM/CAD Specialist

CBS (CAD&BIM Services), Madrid, Spain.
[September 2024 - May 2025]

BIM and CAD interdisciplinary modeling, coordination, and documentation preparation for various companies, including Modelical, GYGSA, EDIFESA, and SENER (Quark), working on projects involving data centers, hospitals, dams, and residential buildings.

Specialties: HVAC, FP, PLB, SAN, ELEC.

Tools: Revit, AutoCAD, Google Suite, ACC, Autodesk Viewer.

ACADEMIC BACKGROUND

Master's Degree in Research and Innovation in Architecture. Intervention in Heritage, Rehabilitation, and Regeneration.
ETSAVA, University of Valladolid, Spain.
[September 2022 - June 2023]

Bachelor's in Architecture.
Technological University of Havana, Cuba.
[June / 2018]

PROFESSIONAL CERTIFICATES

- Certificate of Participation in the 8th Edition of the INSPIRELI Awards 2023.
- Cert Prep: Revit MEP Mechanical & Plumbing Certified Professional
- BIM Management: Careers
- Revit and Power BI: Data Analysis
- Archicad: Revit Workflow
- Revit: Parameters and formulas
- Revit: Introduction to Dynamo for Revit
- Certification Prep: Revit for Electrical Design Professionals
- Basic MEP Systems Calculation and Design
- Introduction to BIM Project Management

EXTERNAL COLLABORATIONS

- EIFFAGE:
  ROVI Pharmaceutical Plant [Spain]
- MODELICAL:
  3 Hospitals [Honduras]
- GYGSA:
  Dam [Latin America]
- EDIFESA:
  Student Residence [Spain]
- QUARK (SENER Group):
  2 Data Centers [Spain]

BIM/CAD Modeler
DIOC ingeniería, Madrid, Spain.
[February - July 2024]

Participated in BIM design and coordination, working alongside EIFFAGE on a pharmaceutical plant project. Preparation of As-Built drawings, material quantity takeoffs, and organization of schematics and technical labeling in documentation and on-site.

Specialties: HVAC, FP, PLB, SAN, ELEC.

Tools: Revit, AutoCAD, Google Suite, ACC, Autodesk Viewer.

CAD Architect
OnePlan, Freelance Collaborator (remote), Spain.
[August - October 2023]

Preparation of CAD drawings for event planning of the Paris 2024 Olympic Games, with export to a GIS platform for georeferencing.

Tools: AutoCAD, BricsCAD, Google Sheets, GIS.

BIM/CAD Specialist & Site Manager Assistant
OSÉS Construcción, Navarra, Spain.
Internship [May - July 2023]

Supported BIM adoption by creating models, performing material quantity takeoffs, and conducting cost studies to demonstrate its benefits.

Specialties: ARCH.

Tools: Revit, AutoCAD, Google Suite, MS Office, ACC, Autodesk Viewer, Presto.

BIM/CAD Specialist & Design Architect
IPROYAZ, Havana, Cuba.
[2018 - 2022]

Modeling, design, and preparation of drawings and documentation for architectural projects, including high- and mid-standard residential buildings, offices, and industrial facilities.

Specialties: ARCH, PLB, and SAN.

Tools: Revit, ArchiCAD, AutoCAD, Google Suite, MS Office, ACC, Autodesk Viewer, BIMx.
